

Dr. Tony DeRamus

**Founder of Sand
Stone Health**

Dr. Tony DeRamus is a 1998 graduate of Parker University. He is the founder of Sandstone Health, a rapidly expanding chiropractic company.

Dr. DeRamus has been spotlighted on various national podcasts, ESPN, TEDx and is a frequent guest on the popular Good Morning Houston show. He enjoys speaking on topics that include personal development, leadership, and business. He is also an international best-selling author.

Dr. DeRamus is the Parker Seminar “Chiropractor of the Year” for 2018. He has been voted one of “Americas Top Chiropractors” on several occasions. He is the former chiropractor of the Houston Texans Cheerleading squad and is a founding member of the Houston Rodeo Sports Medicine Team. When he is not living his life as a chiropractor and entrepreneur, he spends his time on a jiu-jitsu mat with his good friends.
